Exquisite, Extreme, Extraordinary Plate Ice Maker

Water Tank

AISI 304 stainless steel plate ice maker

Uniform space gap on each plate ice sheet

Plate ices falling from plate's sheet surface

ITC's Dynamic Plate Ice Maker is one of the most exquisite, extreme and extraordinary ice making units we have ever made. This ice maker is designed to build tons of flake ice along the falling film plate sheet. It is extensively employed in various industries, commerce, food processing and many more.

In addition, this superb hygienic interior structure is made from stainless steel film dynamic plate sheet (AISI-304 plate), which is resistant to corrosion.

Besides, its wide dimension and high evaporating temperature also simply provide high efficiency performance. Therefore, it can accommodate large capacity of ice production and can quickly freeze the ice in a very short period of time.

Thus, we would like to offer you this outstanding ice maker that will definitely drive you through success. Not only can it give you the swift ice making but it can also withstand in an extremely contested environment.

Dynamic

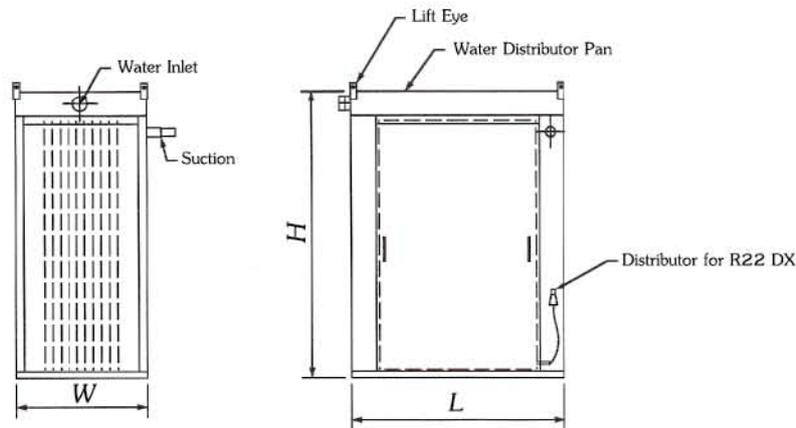

Plate Ice Maker

By **itc**

itc's Dynamic Plate Ice Maker Features :

- High energy efficiency at higher evaporating temperature.
- Wide surface area.
- Less moving parts.
- Stainless AISI-304 Plate.
- Unit's capacity at wider range.
- Low cost.
- Easy installation.
- Minimal maintenance cost.
- Quick freezing capability.
- lighter weight than any other ice flake machines.

Dynamic Plate Ice Maker

Model	Total Ice Production (Mt/Day)	Required Cooling Capacity (kW _r) at -10°C Evap. Temp.	Basic Unit Dimension(mm)			Operating WT. in kg
			Length	Width	Height	
DHIP-9X	30	232	3,500	1,100	2,000	1,200
DHIP-15X	50	385	3,500	1,500	2,000	1,800
DHIP-18X	60	465	3,500	2,000	2,000	2,000
DHIP-24X	75	580	3,500	2,500	2,000	2,500
DHIP-30X	100	770	3,500	3,000	2,000	3,600
DHIP-45X	150	1,160	3,500	4,500	2,000	5,000
DHIP-60X	200	1,540	3,500	6,000	2,000	7,200
DHIP-75X	250	1,925	3,500	7,500	2,000	8,500

Note :

1. Based on 32°C inlet water temperature.
2. Other capacities and dimensions are also available. Please contact manufacturer.
3. Specifications subject to change without notice.
